REVENUE DEPARTMENT.

Sir,

In forwarding herewith a copy of the Kadur District Deputy Commissioner's letter No.O.C.860 of 23-24 dated the 3rd January 1924 together with the vernacular records received therewith reporting the circumstances under which a masjid was constructed without a license to the Mahomedans at Sollebile in Koppa Taluk, I have the honor to state that the putting up of a stone tablet on which the conditions of the muchalika are inscribed is a necessity as evidenced in the recent --- Government Order No.850-1/Muz.F.361-23-6 dated 19th December 1923 --- granting permission tothe construction of a mosque in the compound of Husania Ashurkhana in the Ragi Mandi Street, Mysore City. The Deputy Commissioner's attention will be drawn to this and to some other orders as noted in the margin enunciating the same principal and he will be asked to have the tablet fixed up without delay.

I solicit the favour of kind approval to this arrangement in view of the fact that the masjid has been in existence for some time and as the building is reported to be a fine one.

I have the honor to be,
Sir,
Your most obedient servant,

K Chandy

Muzrai Commissioner.

Letter No.U.C.860/23-24 dated 3rd January 1924 from the Deputy Commissioner, Kadur District to the Muzrai Commissioner in Mysore.

I have the honor to state that at Sollebile, Koppa Taluk, the Mahomedans have built a masjid without a license. This fact came to the notice of the then Deputy Commissioner, Mr.Aylar Rao, for the first time in December 1921. Thereupon, the Amildar was directed to obtain a mutchalika from the Mahomedans tothe effect that they would not ----- object to the playing of music etc., by the people belonging to other sects, and give no room whatever for any disputes which would disturb the public tranquility.

2. The Amildar of Koppa while reporting the execution of the --- mutchalika, suggested that it would be better if the terms of the --- mutchalika were inscribed in astone and the stone fixed in front of the masjid wall. The then Deputy Commissioner accordingly gave orders -- that the Amildar's suggestions may be acted upon. The Mahomedan ---- populace then petitioned this office protesting against this measure. The Government Order No.753 of 22nd December 1897 was promulgated and the petitioners were asked to obey the same. Despite this, they --- refused to abide by it. The Sub Division Officer thereupon ispected the spot and submitted a report stating that the mahomedans have ---- agreed to execute the mutchalika year after year, but that they would feel it an indignity to have a stone fixed with the required inscription The Sub Division Officer is of opinion that the presence of stone might lead to some trouble in the future by rousing the moslem feeling.

3. Mr. Krishnaswami Rao has noted in the record that the proposal seems reasonable, and a reference may be made to you in the matter.

4.I Inspected the spot on the 18th ultimo with the Amildar of Koppa Mr.S.N.Srinivasa Rao. The Mahomedans and the Hindus were present. The latter have no objection to the proposal of the Sub Division Officer provided they suffer no inconvenience or trouble at the hands of the -- Mahomedans in exercising their rights when passing in front of the ---- masjid. This is a fine building and has been in existence for some years So far, no trouble has occurred. The Mahomedans say that they would -- undertake to have the stone ~~xxxxxx~~ tablet, if the Amildar or

been in vogue anywhere in the State. This fact will be enquired into. In the meanwhile the proposal of the Sub Division Officer may be adopted and orders exempting the Sollebile Mahomedans from fixing the stone referred to may be passed, on the condition that the mutchalika should be renewed by the Mahomedans every year.

5. The file of records ending with Tarikere Sub Division --- Officer's No.S.H.C.92/22-23 dated 15th October 1923 is herewith -- submitted."
